

Wordmaster

Today, I am your Wordmaster.

I will introduce the word of the day.

The purpose for this is to help members build their vocabulary.

Today's word of the day is _____ . It means _____ . And now I will use it in a sentence...

If you have the opportunity to speak tonight in any role, please slip the word of the day seamlessly and appropriately into your speech.

As the meeting proceeds, I will be listening to everyone's speech and will note who used the word of the day. At the end of the meeting I will report on who used the word appropriately. Those who are unable to use the word of the day by the end of the meeting will owe the piggy a nickel; guests are exempt.
