### Progress

- **Training**
  - Due to my impending move, Deb has been voted in as my follow-on. She met with Liz to begin training. I have spoken with her as well and will continue to ensure she is both comfortable and competent when ready to take over.
- **Plan and publicize upcoming speech contests**
  - Spooky Tales Contest – need more follow-up; original date is not available at preferred locations. Possible date change unless a new location is found.
  - Instead of a Speech-a-thon on 22 November, Michael Heier will present the Education Module: Moments of Truth. This presentation will take the entire meeting and essentially ensure the club is taking advantage of opportunities to make good impressions.
