

**Officer Report**  
**Maverick Executive Committee**  
Secretary / Webmaster: Emi Bauer, DTM

December 19, 2016

**Progress**

- Speech videos are uploading as I am typing this.
- I would like to officially volunteer to chair an even for Maverick's 5 year anniversary. The official date is February 13th but since February is contest month, I think I would like to schedule it for the first week of March, if that is okay with everyone - NOT on a Tuesday evening. How would the evening of March 4th sound?

**Areas in Need of Attention**

- I still need to collect photo releases from newest members as they are willing to provide it.
- I also need to get caught up on minutes publication. I have some days off over the next week so will take care of that during this time.

**Goals for Next Review**

- Would like to get permission for a few of the videos to be embedded into the minutes blog.
- As encouraged by Sheryl Roush during her marketing presentation at conference, I would like to give the website a facelift, update the club paperwork to match, and create matching business cards as well. Goal date for completion of this project will be January 1st.
