

Officer Report
Maverick Executive Committee
Sergeant-At-Arms (SAA): Rahul Iyer, CC

01/14/2017

Status Summary

- Unable to follow-up at this time on alternative venues as I have simply not had time. Need to put on hiatus until after 1st Qtr CY 2017 because of other professional development responsibilities that I need to complete by end of 1st Qtr CY 2017 (tied to work).
- Continued calling TM meetings to order as SAA
- Acquired ACB in January 2017 (have already acquired two new Advanced Manuals for ACS—Do not worry, they should not be as involved as Interpersonal Communication).

Areas in Need of Attention

- Plan to do work on CL Manual to complete out Manual (need to participate in a Membership Campaign and related)
- In addition to Advanced Manual Speeches, I need to give at least 1 to 2 speeches from Successful Club Series and related. Request help in determining which speeches are doable for such requirement
- Stand-In SAA needed for the following dates. I am not able to make it because of time needed to study for a Professional Certification Exam (Exam Scheduled for 15 April 2017).
 - I will be absent following dates:
 - 03/28/2017 (Tuesday)
 - 04/04/2017 (Tuesday)
 - 04/11/2017 (Tuesday)
 - Will resume attendance on 04/15/2017 with a smaller functionary role and that of SAA as needed that meeting. Scaling back up to normal within a week. Have already informed the VPE of my absences
 - ***Please announce at upcoming meetings (volunteers needed).*** Will note on Toastmaster's Agenda for 01/17/2017 meeting. Paul T usually volunteers, but he is recovering from a medical condition. No one else usually comes forward.
 - I will make sure Caddy is organized for stand-in

- **NOTE to VPE:** You are asking for volunteers for 21 February 2017 Contest. I can help as needed (**provided contest does not slip into March 2017**). I have Chaired the past two contests, and would like to let someone else do it

(I recommend Praveen be approached—I can advise him as needed. It would be good for him, as I see a Project Manager in him (for his work as an Engineer), and this is easily translatable to that kind of role. I have not asked him yet.).

I am also open to serving as a functionary as needed. Please let me know.

Goals for Next Review

- Have Plan in Place for My Absence in March/April 2017 for SAA
- Work with Leadership on speeches regarding the various Successful Club Series (and related)
- Work with Leadership and VPE to complete out my CL (have plan developed to do this)
