

Officer Report
Maverick Executive Committee
VP Education: Liz Shaw, DTM

January 7, 2020

Status Summary

- 6 out of 6 required education awards achieved.

Progress

- Rotation is really slow due to 3 weeks off AND 4 new members scheduled for ice breakers AND upcoming club contest at the end of January. Let's just not talk about it right now. It will work itself out again.

Areas in Need of Attention

- Send out member interest survey again. Apparently I am going to continue to procrastinate this.
- We need a contest chair for the club contest.

Goals for Next Review

- See areas in need of attention.
