

Officer Report Maverick Executive Committee

SAA: Rahul Iyer, CC

14 May 2016

Status Summary

- No major issues for May 2016. Status quo.
- Running for re-election to same post. Unfortunately, I have no opponent

Progress

- Status quo....see items for Next Review

Areas in Need of Attention

- I have talked with Paul Forsythe and he is ready to be my backup/mentee, but has said that he is focusing more on the Functionary roles and the manuals at present time
- Running for re-election to same post. Unfortunately, I have no opponent
- Had to get more award cards (Best Table Topics, Best Speaker, Best Eval, Spark Plug, etc)--Michael M has the receipt, and I am awaiting reimbursement

Goals for Next Review

- Need more First Timer Ribbons---we are low. Will verify again on 05/17/2016 the inventory level, and work with Michael M to get additional ordered
- Will also get an inventory level for the Ice Breaker Pins, and work with Michael M as needed...I think we have adequate
- Need more New Member Packets---we have one left. Will work with Winona Peterson. Want to keep it around ~10 packets per comments of Liz Shaw.

- Missing one sign, that goes on the outside tables each meeting. Not super-critical, but will see how to get something addressed. Previous sign was beaten up a bit, and held together with scotch tape.
- Follow-up needed with Emi Bauer on Social Committee and Lazer Tag. I have been unfortunately “a bit swamped” with everything else to do justice to it (primarily work related).
