

Officer Report Maverick Executive Committee

Vice President of Mentoring: Michael Heier ACG, ALB

Tuesday, August 18th, 2015

Status Summary

- Contacting mentors and protégés in current mentor/protégé relationships to ensure relationships are still active and mutually beneficial.
- Seeking assistant to help update mentoring manual for current terminology.

Progress

- Responses from most mentors and some protégés to verify relationships.
- Addressed the need for a new member program. Emi has provided us with an example manual that needs updating and customizing.
- One experienced member ready to mentor a new member.

Areas in Need of Attention

- Verify current mentor/protégé relationships are still active and mutually beneficial.
- Identify potential mentors for new members
- Identify further mentor/protégé relationships to help the club members succeed in pursuit of their personal goals.
- Ensure mentors are aware of the Maverick Mentoring manual.

Goals for Next Review

- Create a mentor interest survey to identify places where a mentor/protégé relationship would be beneficial.
- Identify two additional members willing to mentor new members.
- Meet to discuss vision for new member program.
