

Officer Report
Maverick Executive Committee
SAA: Rahul Iyer, CC

18 August 2015

Status Summary

- Inventory is addressed. We have adequate inventory at present time
- Still need to establish re-order point for each of the inventory items (target completion 29 August 2015)
- No budgetary items to note at present time
- Need to consider fixing signs for Maverick Toastmasters (few of them are partially broken)

Progress

- Emi Bauer has scheduled Indoor Skydiving. I unfortunately do not qualify to participate because of a shoulder issue
- Will work with Emi Bauer to see if we can setup Laser Tag as an event after Indoor Skydiving

Areas in Need of Attention

- Inventory issues addressed 21 July 2015.
- Reorder points for each item in inventory will be established by 29 August 2015
- Need to still develop potential contingency plan if current venue is not available. Will plan to complete by end of August 2015

Goals for Next Review

- Establish Event Calendar, assuming the first event actually goes off without a hitch
- Setup Laser Tag Event
- Manage reorder points in inventory
- Develop plan and proposal for fixing signs
- Develop contingency plan for venue
